Meeting started at 7:06pm**Words from Their Excellencies:**

The Barony of Myrgan Wood is located on Treaty Six land in the traditional territories of the Nehiyawak (Cree), Asishinabek, Lakota, Dakota and Nakota Nations, and the homeland of the Metis. We are grateful to be able to work, live and play together in these shared lands.

It was really nice to see everyone in person again. There is lots of excitement for Crown and Skald the Hall that are on the calendar.

The next upcoming events in Myrgan Wood need event stewards, Summer Champions and Anniversary. If you are interested, please come forward.

Officer Reports:**Seneschal:**

A fight practice location has been secured through to the end of March on Tuesday nights. We are at the Cosmo Centre. The current rental rate is \$36/hr x 2 hrs/night. If we require more space, there are other rooms available at the same time as our practice time at \$20/hr and/or \$30/hr. There is access to TVs and a kitchen.

We have a few people who have their background checks for youth activities but they expire in April but they are on the list for renewal. If you would like to discuss getting a background check done, contact Roxanne or Raoul. Thorgunn has volunteered to do so.

We are now asking for a \$5/night fee per night to cover the cost of the practice space. If you wish to pay for multiple at a time, Astrid has a sheet to keep track. It will be with all the sign in forms each night.

Exchequer:

There is a new program coming out and a training session will be offered. Alexandra has stepped forward to be a deputy. Now that there will be a new signing authority, it is likely time to make those changes at the bank.

Herald:

Nothing to Report

Knight Marshall:

Thorgunn won't be hauling all of the armor to and from every practice. If you know of someone who needs armor, contact her prior so that arrangements can be made. Matt has the rapier gear so if it is needed, contact him.

Some of the archers are going out to the Wildlife Federation on the occasional Tuesday and Thursday.

Chatelaine:

Things are very quiet. Saskwatch Leather is interested in attending local events and merchandising at Skald the Hall. Alexandra will be asking other chatelaines how they organize their items.
